

DEMOCRACY IS STRONGEST WHEN EVERYONE VOTES!

The Voter Network exists to provide Kansas voters with nonpartisan, fact-based state and local information and tools. Our goal is simple—end election confusion and make voting easier for everyone, especially those in systemically excluded communities.

VOTER to VOTER IMPACT IS REAL!

In 2020 the voters we connected with turned out at **91%** compared to just **71%** statewide.

WHAT WE DO

MAKE VOTING EASIER FOR EVERYONE

- **Voting can be intimidating. It shouldn't be.**
You can find all you need to vote confidently on our comprehensive website www.thevoternetwork.org. Our simple, straightforward resources (available in English and Spanish) take the guesswork out of voting.
- **With our online ballot guide, KSBallot.org,** we've made it easy to see quickly who and what is on your ballot, find your polling place, and set election reminders. We've included social media links, making it easy to research (okay, Facebook stalk) your candidates.

HELP YOU INSPIRE OTHER VOTERS

- **Friends don't let friends skip elections!**
Our incredibly effective Voter to Voter peer-to-peer program and other data-driven tools empower individuals and organizations across the state to motivate their networks to get out and vote.
- **Get your organization involved!**
We'll work with you to build civic engagement activities that fit your comfort level, calendar and budget. We partner with neighborhood groups, churches, health clinics, book clubs, and businesses to reach voters where they live, work, and play.
