

Student voter? You have options.

2025 PRIMARY
ON AUG. 5

2025 GENERAL
ON NOV. 4

#1

VOTE WHERE YOU ARE

Our first choice - and the easiest for you.
Register at your campus address at
KSVotes.org by Oct. 14!

#2

VOTE FROM HOME COUNTY

The next best option, and you're probably
registered there anyway. If you go this route, we'd
suggest voting by mail...or you'll have to get back
home to vote in-person

#3

VOTE FROM OUT OF STATE

Our least fave option - and most difficult for you.
Stay registered in another state and make sure you
know how to vote back home (google your
Secretary of State's rules)

#1

VOTE WHERE YOU ARE...

♥ by mail ♥

Our fave. Just request your mail-in ballot on [KSVotes.org](https://ksvotes.org).

Once it arrives, mail it back ASAP or - fun option - drop your ballot in a dropbox. No stamp needed. Locations on [KSBallot.org](https://ksballot.org).

in person

Love that for you, but get it done early! Nighttime and weekend options are available in most counties.

Or, vote on E-Day (11/4) at your polling place. All locations on [KSBallot.org](https://ksballot.org).

#2

VOTE IN HOME COUNTY...

♥ by mail ♥

Good idea. Apply for a mail ballot on [KSVotes.org](https://ksvotes.org) and have it mailed to your campus address.

When you get it, mail it back right away - like, the same day.

in person

Okay, time to roadtrip with the besties to vote in-person early or on election day (11/4).

Find out where to vote on [KSBallot.org](https://ksballot.org)...or save the gas money and vote by mail.
